PETITION FOR STAY  
MM DOCKET 92-266

Ms. Donna R. Searcy  
Secretary  
Federal Communications Commission  
1919 M Street N.W.  
Washington, DC 20554

Dear Ms. Searcy:

Please delay the effective date of the Commission's rate regulations.

I am an operator of four (4) small systems with 2,677 total customers. They are as follows: Belleville Ks. 1133 customers, Mankato Ks. 392 customers, Washington Ks. 558 customers, and Hebron Ne. 594 customers. As you can see there are four (4) headends and four (4) franchise areas.

The size of our operations are such that we aren't able to have an in-house lawyer or accountant and we feel that the scope of the rules are such that the completion of the calculations require one of those two. We more than likely will have to incur a large legal or accounting fee that we really can't afford.

There is also the possibility that we may have to complete a cost-of service showing and as yet we don't know what the requirements for such a showing will be, therefor we aren't able to make a decision on this at this point.

Sincerely,

*Robert K. Weary Jr*
